

In view of the changed situation, the State Council has decided to apply the measures decided by the federal government in the context of the COVID 19 Ordinance on Special Situation from 14 December 2020.

Masks must be worn in all publicly accessible areas of establishments and facilities.

Catering establishments will be reopened in compliance with the protection plan and the rules laid down in the COVID 19 Ordinance on the Special Situation:

- **When entering the Vieux-Valais da Nico restaurant, masks will be compulsory** from the age of 12 (except in the case of a medical certificate). As soon as the guest has taken a seat, he/she may remove the mask. The mask must be worn again when going to the toilet and when leaving the site.
- **A disinfection container is available on entering the restaurant.** We ask you to disinfect your hands.
- **On entering you will see a floor marking.** We ask you to wait there until the service staff fetches you and accompanies you to your table.
- The group size must not exceed 4 customers per table. This rule does not apply to parents with their children.
- Food and drinks may only be consumed sitting down.
- Consumption at the bar is permitted if guests are seated while sitting and the required minimum distance of 1.50 metres to other guests is maintained.
- Consumption is only permitted sitting down.
- If groups of people are seated at different tables, guests are not allowed to change places.
- There must be no physical contact between staff and guests.

According to regulations, customer data must be recorded with an electronic traceability application. We carry the app **SocialPass**. You can download it from the **SocialPass** app (www.swisspass.ch). The QR code is available on the table, which you only need to scan in. With the QR code you can also view our food and drink menu.

- Our protection concept offers you the following security:
 - Tables and chairs are disinfected after each guest
 - Menu cards are disinfected after each guest
 - All table items are disinfected after each guest
 - At the entrance, at the stairs to the toilets and in front of the toilets there are holders with disinfectant
 - The restaurant is ventilated regularly
 - For room disinfection, organic room cleaning sprays are also used, which are also sprayed on cushions and seat fabrics.
- Our staff wear protective masks and disinfect their hands regularly
- Door and window handles are regularly disinfected
- All working and contact surfaces are regularly disinfected
- The toilets are regularly cleaned and disinfected
- The minimum distance between the tables of 1.5 metres is guaranteed
- Where a distance of 1.5 metres is not guaranteed, a partition wall

Thank you very much for helping us to comply with the precautionary measures.
Grazie mille, your team from Ristorante Da Nico
